I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I
OBJECT to the definition of "inordinate amount" which restricts the availability and
the right to obtain necessary compounded medications by limiting the number of
prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

Comments: I am so grateful for the prescriptions
I can obtain naturally through my doctor
calling in to the College Pharmacy. It has helped me
tremendously, far more than previous drugs. I
object to not being able to benefit in the future
by what you are doing!!!!
